Pray that the Fini governor and his administration will decide that the Fini alphabet can be made official, so scripture like the book of Jonah will be able to be published. Pray that the new translator for the team will come to know the awesome power of God and the relationship that he can have with him. Please also pray for someone to be the voice for the audio scriptures for the Fini people in Eurasia. This currently appears to be impossible. (Wycliffe Bible Translators) *name changed for security reasons

Please pray for the team who will be bringing medical treatment through the clinic. Pray they will bring emotional and spiritual healing as well as diagnosing and treating leprosy.
